Your Child's First Teacher is YOU!!

What is Parents as Teachers?

It's a home visiting program that helps young children become better learners well before they get to school. It helps parents and family members link to other community resources, learn from other families, and become more involved in their child's development.

What do you get from Parents as Teachers?

- Regularly scheduled home visits from a trained Parent Educator who brings parenting and child development/behavior tips based on your child's age.
- Age- appropriate activities you can do with your child to encourage learning.
- Free health and developmental screening (such as hearing, sight and growth)
- Pregnant women can start before birth and continue after child is born.
